HSBC Bank Malaysia Berhad (“HSBC Bank”) Terms and Conditions for Mobile Wallet

The following terms and conditions apply when you add your HSBC Bank Credit Card (“Credit Card”) to a Mobile Wallet of your Eligible Device. A Mobile Wallet refers to any service which allows the use of your Credit Card in an electronic format without presenting the physical Credit Card such as but not limited to Samsung Pay.

IMPORTANT! Before you register, add, activate and use your Mobile Card within a Mobile Wallet, please read these Terms and Conditions and the HSBC Bank Cardholder Agreement (“Cardholder Agreement”) carefully. By registering, adding, activating and using your Mobile Card via a Mobile Wallet, you will be considered to have accepted these Terms and Conditions and the Cardholder Agreement and will be bound by them.

1. Terms and Conditions to supplement the Cardholder Agreement
 - (a) The Cardholder Agreement applies to your Credit Card. References in the Cardholder Agreement to “Credit Card” include your Mobile Card.
 - (b) These Terms and Conditions supplement the Cardholder Agreement and, together, they govern your Mobile Card. If there is any inconsistency between the provisions of these Terms and Conditions and the provisions of the Cardholder Agreement concerning the use of your Mobile Card, the provisions of these Terms and Conditions prevail.
 - (c) You may need to agree to separate terms with the Mobile Wallet Provider, which governs the registration and storage of your Mobile Card and its use in the Mobile Wallet (including the use of any data you provide to the Mobile Wallet Provider). Those separate terms you agree with the Mobile Wallet Provider will not change or override these Terms and Conditions and the Cardholder Agreement.
2. Registering, adding and activating Mobile Card
 - (a) You are eligible to add a Mobile Card in your Mobile Wallet if your Card Account is in good standing in accordance with the Bank’s requirements and standards.
 - (b) Prior to adding the Mobile Card, the physical Credit Card must be activated.
 - (c) To add a Mobile Card please follow the instructions of the Mobile Wallet Provider (including installation of the latest operating system for your Eligible Device), and the registration and verification flow of your Mobile Wallet. You acknowledge that the Mobile Wallet Provider has the right to decline the addition of your Mobile Card or to suspend, delete or reactivate a Mobile Card. We shall not be liable if you are unable to add a Mobile Card for any reason.
 - (d) By registering a Mobile Card, you consent to us sending you an SMS message for verification and activation purpose based on your mobile number registered with us. For Supplementary Card registration, the SMS message will be sent to the Supplementary Cardholder mobile number registered with us. If we do not have a record of your mobile number, we will not be able to send an SMS

message to you. In such scenario, you will need to call us

- (e) on the number displayed in the verification screen and follow the required steps to verify and activate the Mobile Card.
- (f) The Mobile Wallet Provider may limit the number of Mobile Cards that you may add in one Mobile Wallet from time to time.
- (g) One (1) Mobile Card can only be added to one (1) Mobile Wallet on one (1) Eligible Device. Adding the same Mobile Card to the same Mobile Wallet on a different Eligible Device is not allowed for security reasons.
- (h) You agree and acknowledge that you are responsible for removing and disabling your Mobile Card from your Mobile Wallet before servicing your Eligible Device, or if your Eligible Device is no longer in use by you, lost, stolen or compromised and/or you are no longer the owner of your Eligible Device.

3. Use of Mobile Card

- (a) You may make and authorise transactions with your Mobile Card where the Mobile Wallet is accepted for payment. We will not be responsible if any retailer refuses to accept your Mobile Card.
- (b) To authorise a transaction, open your Mobile Wallet app and tap your Eligible Device on a Visa payWave or MasterCard contactless reader or terminal ("contactless reader"), and verify your identity via biometric or Mobile Wallet PIN or as determined by the Mobile Wallet Provider.
- (c) You cannot use your Mobile Card for cash withdrawals or cash advance over the counter. A Mobile Card cannot be linked to a bank deposits account.
- (d) Your Mobile Card may be used for purchase not exceeding RM250 per transaction or such other amount which we may specify from time to time. The limit per transaction may vary from country to country.
- (e) For Mobile Card transactions exceeding RM250, you will be required to insert your Card PIN to authorise the transaction.
- (f) All Mobile Card transactions are treated the same as contactless card transactions. Therefore, all terms applied to contactless card transactions in Cardholder's Agreement shall apply to all Mobile Card transactions.

4. Card Account and credit limit

- (a) Your physical Credit Card and Mobile Card constitute one and the same Credit Card and share the same Card Account.

- (c) You can view the Mobile Card related information, such as transaction history, through the Mobile Wallet. You acknowledge and accept that some of the listed transactions may be authorising transactions, which are temporary and are subject to reversal (e.g. low value authorisation for your verification and pre-

authorisation at (but not limited to) petrol stations and hotels).

- (d) You agree and acknowledge that any information pertaining to your Mobile Card as displayed on your Mobile Wallet may not necessarily reflect or indicate transactions that are yet to be processed and updated and therefore, should not be taken as conclusive.
